INTRODUCTION

Teeth are most valuable asset of the human body Healthy teeth are responsible for healthy body Teeth act the v i tal role in beautification and personality of mankind. A man or Woman can smile freely if his or her teeth look like pearls. A set of sparkling teeth is pleasing to eyes Unhealthy teeth and gum may be termed as root of all diseases so, every human being must learn how to take care of its teeth and gum in our country, about 70-75 percent

people are uneducated and they neglect health more specifically, care of teeth and gum. Obviously their lower standard of living and poor economic condition etc. are basic factors. Even, a little attention may help them much. There is no precise book on dental diseases in English in the domain of Homoeopathic therapy. I therefore, having been encouraged by some of my friends and after a wide speculation of different medical journals and Magazines compiled this book in plain language according to my utmost effort. I am herein mentioning partly Allopathic and Ayurvedic therapy too, in some case a composition of two is being given when

necessary. My whole work is aimed to , furnish my physician friends with a ready reference in their fields however, the beginnres and people in general are also capable of having an idea about the magic island of Homoeopathic treatment.

Among those who have encouraged me with their valuable suggestion my adorable father Late Dr. Pulin Behari Banerjee, [Viceprincipal, M. B. Homoeopathic Medical College]. Dr. Gurupada Dass, Dr. H. Ali, B.D.S, Dr. B. Jana B.D. S., Dr. S. Ghosh M.B.B.S. are worth mentioning.

In fine, I would admit my debt to Dr. Netai Chandra Ghosh, a famous
