PREFACE.

IN reference to the subject of this little volume Hahnemann says, "*Das Gold hat grosse, unersetzliche Arzneikraefte*") ("Gold has great remedial virtues, the place of which no other drug can supply"); and having myself used it in practice for several years, I have come to regard it in the same light: / *cannot do without it*. To my mind there are varieties of disease that *Gold*, and *Gold only*, will *cure*, and others that *Gold*, and *Gold only*, will alleviate *to the full extent of the possible*; and not a few of these varieties of disease are of the gravest nature. As a heart-remedy

alone it claims the most earnest attention of every medical man.

In homoeopathic practice it is neglected, and in allopathic practice it is practically unknown.

I claim for the following pages only that they constitute a rough Introduction to the Study of Gold as a Remedy in Disease.
