Preface to the First Edition

The second half of the Twentieth Century has witnessed tremendous growth in Homoeopathy Medicines and their application in the treatment of acute diseases. The Homoeopathic treatment has become a vital component for the success of human health. We feel great pleasure to present this first edition of Homoeopathic Pharmacopoeia, a valuable treatise which contains a large number of formulae and methods of preparation of Homoeopathy Medicines. Systematic and thorough study is made to compile the Homoeopathy formulae logically and systematically to help the practising Homoeopathic doctors, Pharmaceutical professionals and also to help the students of Indian Homoeopathic Medical Colleges.

It is hoped that practising Homoeopath doctors and Pharmaceutical professionals shall obtain useful information on the subject from this treatise — Homoeopathic Pharmacopoeia.

Every effort has been made to avoid typing mistakes. However, some mistakes/errors might have occurred due to oversight. The authors shall be grateful to receive criticism and suggestions for improvement of this book.

Preface to the Fifteenth Edition

We feel great pleasure in presenting this thoroughly revised, updated and enlarged edition of the Homoeopathic Pharmacopoeia, a treatise which contains numerous formulae and methods of preparation of Homoeopathy Medicines to the homoeopathy doctors and Pharmaceutical professionals and also to the students of Homoeopathy Medical Colleges of Indian Universities. This valuable treatise has proved one of the most popular books on the subject amongst the Homoeopathy practitioners in modern days.

We believe that Homoeopathy professionals of every walk of life will find the contents of this edition to interest them substantially and to give a correct guidance to the manufacturers and practitioners of the Homoeopathy profession.

The valuable suggestions and criticisms to improve this valuable treatise, shall be gratefully acknowledged.
