# Introduction

A medical expert, Dr. Bakshi has proven records in various specialised projects taken up by various government organisations both in disseminating medical education at higher levels as well as executing programs on various medico-social levels. A case in point has been the work done under his Directorship of the Drug-de-Addiction Project of the Delhi Police Department.

Four earlier books of the author The Phoenix Repertory, Manual of Psychiatry, Manual of Gastroenterology and Manual of Urogenital Disorders have had an excellent response and widespread acceptance from the international Homeopath teaching fraternity and the medicos in the United States of America, Europe, Australia and Asia.

The manual is the result of a marvellous effort towards providing the homeopathic physicians, scholars and students a compendium of precise user-friendly information, the systematic use of which can expedite accurate diagnosis and disease management for each individual patient - absolutely within the tenets of this medical system, which is well accepted and gaining the position of a popular form of therapy in most parts of the world.

A complete handbook for the homeopathic physicians, scholars and students, it presents the relevance of rubrics along with the text of medicines. It follows the following format:

- Disease condition, etiology, clinical features, investigations
- Disease management, alternative therapies, and
- Repertorial references according to disease causation, clinical features, modalities, concomitants, and in the end
- Repertory of all sections from the Phoenix Repertory (advanced version)

The references in this work have been assembled along side each and every disease, with precise and proper classification, making it much easier and faster for the homeopathic physician to get to the root of the disease. An index for each chapter, specifying the contents, guides the user at every stage.

So, here we have for all of you (for whom Homeopathy matters) - a manual to be used extensively throughout your careers. It holds for you a huge collection of updated and well-researched new rubrics and remedies, keeping the modern classification of diseases in perspective.

# Contents

<b>1. Disorders of External Ear.....</b>	<b>1</b>
A. Burns and Frostbite of the Auricle.....	1
B. Erysipelas .....	2
C. Furuncle of the External Auditory Canal .....	3
D. Otitis Externa Diffusa .....	5
E. Eczema of the External Ear .....	7
F. Foreign Bodies in the Ear .....	9
G. Traumatic Rupture of the Tympanic Membrane .....	12
H. Perichondritis .....	14
I. Otomycosis.....	16
J. Bullous Myringitis .....	17
K. Herpetic Lesions of the External Ear .....	19
L. Wax .....	21
M. Malignant Otitis Externa .....	25
N. Seborrhoeic Otitis Externa.....	26
O. Neoplasms of the External Ear.....	27
<b>1. Benign Tumors .....</b>	<b>27</b>
<b>2. Malignant Tumors .....</b>	<b>28</b>
P. Haematoma of the Auricle .....	29
<b>2. Disorders of Middle Ear .....</b>	<b>30</b>
A. Acute Catarrh of the Eustachian Tube.....	30
B. Acute Otitis Media .....	32
C. Mastoiditis .....	37
<b>1. Acute Mastoiditis .....</b>	<b>38</b>
<b>2. Masked Mastoiditis .....</b>	<b>40</b>

D. Chronic Suppurative Otitis Media.....	41
<b>1. Tubotympanic Type .....</b>	<b>41</b>
<b>2. Atticoantral Type .....</b>	<b>46</b>
E. Chronic Catarrh of the Middle Ear .....	47
F. Cholesteatoma.....	48
G. Barotraumatic Otitis Media .....	50
<b>3. Complications of Suppurative Otitis .....</b>	<b>52</b>
A. Otitic Hydrocephalus .....	52
B. Lateral Sinus Thrombosis.....	53
C. Brain Abscess.....	55
<b>1. Cerebral abscess.....</b>	<b>56</b>
<b>2. Cerebellar abscess .....</b>	<b>56</b>
D. Facial Paralysis .....	58
E. Meningitis.....	60
F. Extradural Abscess.....	62
<b>4. Disorders of Internal Ear .....</b>	<b>63</b>
A. Labyrinthitis .....	63
<b>1. Circumscribed labyrinthitis .....</b>	<b>63</b>
<b>2. Diffuse labyrinthitis .....</b>	<b>63</b>
B. Meniere's Disease.....	65
C. Presbycusis .....	68
D. Otosclerosis .....	68
<b>1. Histopathological Otosclerosis .....</b>	<b>69</b>
<b>2. Clinical Otosclerosis .....</b>	<b>69</b>
E. Ototoxicity .....	70

F. Neuritis of the Acoustic Nerve .....	72
1. Toxic neuritis .....	72
2. Infectious neuritis .....	73
<b>5. Occupational Diseases of Ear .....</b>	<b>75</b>
<b>6. Tumours of Ear....., .....</b>	<b>77</b>
A. Neoplasms of the Middle Ear Cleft.....	77
1. Glomus Jugulare Tumours .....	77
2. Malignant Tumour of Middle Ear Cleft .....	79
B. Neoplasms of Internal Ear .....	80
<b>7. Disorders of External Nose.....</b>	<b>85</b>
A. Disorders of the Nasal Vestibule.....	85
1. Furunculosis of the Nose.....	85
2. Cavernous Sinus Thrombosis.....	86
3. Vestibulitis.....	87
4. Erysipelas .....	88
5. Acne Rosacea .....	90
6. Lupus Erythematosus.....	91
7. Herpes Simplex .....	92
8. Herpes Zoster .....	93
9. Rhinophyma .....	94
10. Neoplasms Of The External Nose.....	95
B. Disorders of the Nasal Cavity .....	98
1. Synechiae.....	98
2. Atresias .....	99
C. Epistaxis.....	99

D. Foreign Bodies in the Nasal Cavity and Rhinoliths .....	113
<b>1. Foreign Bodies in the Nasal Cavity .....</b>	<b>113</b>
<b>2. Rhinolith .....</b>	<b>115</b>
E. Disorders of the Nasal Septum.....	116
<b>1. Deviation and Spurs of the Septum.....</b>	<b>116</b>
<b>2. Septal Haematoma .....</b>	<b>118</b>
<b>3. Septal Abscess .....</b>	<b>120</b>
<b>4. Perforation of the Nasal Septum .....</b>	<b>121</b>
<b>8. Nasal Allergy, Polypi &amp; Cerebrospinal Rhinorrhea .....</b>	<b>124</b>
A. Nasal Allergy.....	124
B. Nasal Polypi.....	126
C. Cerebrospinal Rhinorrhoea .....	127
<b>9. Inflammations of Nose.....</b>	<b>729</b>
A. Acute Rhinitis.....	129
B. Chronic Rhinitis.....	143
<b>1. Non-specific rhinitis.....</b>	<b>144</b>
<b>2. Specific rhinitis.....</b>	<b>148</b>
C. Rhinosporidosis .....	149
D. Rhinoscleroma .....	150
<b>10. Disturbances of Sense of Smell.....</b>	<b>752</b>
<b>77. Disorders of Paranasal Sinuses .....</b>	<b>753</b>
A. Acute Maxillary Sinusitis .....	153
B. Chronic Maxillary Sinusitis.....	155
C. Acute Frontal Sinusitis.....	158
D. Chronic Frontal Sinusitis.....	160

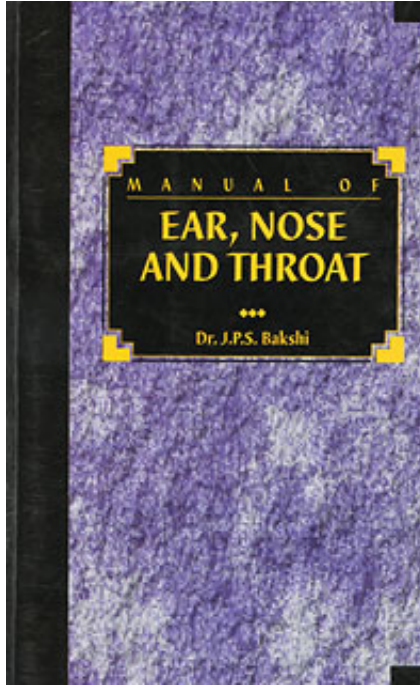

E. Ethmoiditis.....	161
F. Sphenoiditis.....	162
<b>12. Tumours of Nose and Paranasal Sinuses .....</b>	<b>164</b>
A. Benign Tumours .....	164
1. Papilloma .....	164
2. Adenoma .....	164
3. Fibroma .....	165
4. Osteoma .....	165
5. Angioma .....	167
6. Osteoclastoma .....	167
B. Malignant Tumours .....	168
1. Carcinoma.....	168
<b>13. Disorders of Pharynx.....</b>	<b>170</b>
A. Nasopharyngitis.....	170
B. Acute Non-specific Pharyngitis .....	174
C. Vincent's Angina .....	178
D. Acute Diphtheritic Pharyngitis.....	179
E. Moniliasis .....	185
F. Herpetic Lesions of the Pharynx.....	185
G. Infectious Mononucleosis .....	186
H. Agranulocytic Angina .....	187
I. Inflammation of lymphoid tissue .....	188
J. Acute Inflammation of the Pharynx .....	191
1. Tonsillitis .....	191
2. Peritonsillar Abscess or Quinsy .....	204

3. Retropharyngeal Abscess .....	207
4. Parapharyngeal Abscess .....	210
5. Faucial Diphtheria .....	212
6. Pharyngeal Pouch .....	220
K. Tumours of the pharynx .....	221
1. Tumours of the Nasopharynx.....	221
2. Tumours of the Oropharynx.....	225
3. Tumours of the Laryngopharynx.....	227
L. Foreign Bodies in the Pharynx.....	229
<b>14. Disorders of Larynx.....</b>	<b>237</b>
A. Inflammations of the Larynx.....	231
<b>1. Acute Laryngitis .....</b>	<b>233</b>
<b>2. Chronic Laryngitis .....</b>	<b>235</b>
<b>3. Acute Epiglottitis .....</b>	<b>238</b>
<b>4. Acute Laryngo-Tracheo-Bronchitis.....</b>	<b>239</b>
<b>5. Laryngeal Perichondritis.....</b>	<b>241</b>
B. Laryngeal Diphtheria.....	243
C. Vocal Nodules.....	248
D. Leukoplakia of the Larynx .....	250
E. Tuberculosis of the Larynx.....	251
F. Syphilis of the Larynx .....	253
G. Stenosis of the Larynx .....	254
<b>1. Acute Stenosis of Larynx .....</b>	<b>254</b>
H. Paralysis of the Larynx .....	256
I. Tumors of the Larynx .....	258
<b>1. Benign Tumors .....</b>	<b>258</b>
<b>2. Malignant Tumours .....</b>	<b>261</b>

J. Laryngeal Stridor.....	265
K. Oedema of the Larynx.....	267
<b>1. Non-inflammatory Oedema .....</b>	<b>268</b>
<b>2. Inflammatory Oedema .....</b>	<b>268</b>
L. Laryngocele.....	270
<b>1. Internal Laryngocele .....</b>	<b>271</b>
<b>2. External Laryngocele.....</b>	<b>271</b>
M. Vocal Cord Polyp.....	272
N. Reinke's Oedema .....	273
<b>15. Miscellaneous Conditions of Throat .....</b>	<b>274</b>
A. Globus Hystericus .....	274
B. Palatal and Pharyngeal Palsy.....	277
C. Pharyngeal Spasm .....	278
D. Pharyngeal Pouch .....	279
E. Trismus.....	280
F. Cleft Palate .....	283
<b>1. Incomplete .....</b>	<b>283</b>
<b>2. Complete .....</b>	<b>283</b>
G. Styialgia.....	284
H. Foreign Bodies in the Larynx, Trachea and Bronchi.....	285
I. Injuries of the Larynx and Trachea .....	286
J. Calculus of the Salivary Glands .....	289
<b>16. Disorders of Oesophagus .....</b>	<b>291</b>
A. Dysphagia.....	291
<b>1. Oropharyngeal Dysphagia .....</b>	<b>296</b>
<b>2. Oesophageal Dysphagia .....</b>	<b>296</b>

B. Congenital Atresia of the Oesophagus.....	298
C. Corrosive Burns of the Oesophagus.....	299
D. Achalasia Cardia or Cardiospasm.....	299
E. Foreign Bodies in the Oesophagus.....	301
F. Plummer Vinson Or Paterson-Brown Kelly Syndrome ...	302
G. Benign Strictures of the Oesophagus.....	303
H. Hiatus Hernia.....	305
<b>1. Sliding Hiatus Hernia .....</b>	<b>306</b>
<b>2. Para-oesophageal Hiatus Hernia .....</b>	<b>306</b>
