A Call to Brother Homoeopaths!

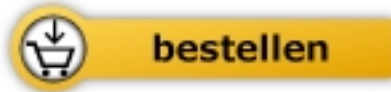

It is the duty of Brother Homoeopaths, who earnestly seek to promote the welfare of humanity, to take up the clue from the few examples given in this brochure and establish by further practice the capability of Homoeopathy to cure the so-called incurable diseases that are multiplying day by day, and thus make themselves worthy followers of the Great Master, who has proved himself to be one of the greatest benefactors of mankind the world has ever known.
